Insurance Waiver of Liability

I _____ have declined travel insurance offered by Aya's Travel Agency. I will not hold Aya's Travel Agency or the booking agent responsible for loss of monies due to cancelation, trip delays, and/or early departure from ship, tour, air, rail, motorcoach or other travel components booked in my name.

I acknowledge that I have read and understand the cancellation penalty policy of the cruise, tour, and other applicable travel suppliers(s).

Any travel companions and myself linked to my booking will not hold Aya's Travel Agency or the booking agent liable for any injury or illness during the vacation period of the scheduled vacation/booking. Passenger(s) will responsible for all medical expenses incurred and any subsequent travel required during the trip.

My booking agent has explained the above information and I understand and agree to this waiver.
